Dear Sir,

LATE SUBMISSION OF THE 2015/16 ANNUAL FINANCIAL STATEMENT

I refer to the above matter.

This letter serves to inform you that the Annual Financial Statements (AFS) of 2015/16 will be submitted on the 30 September 2016. The late submission is due to the unbundling and classification of our assets.

The Northern Cape Provincial Treasury is currently providing hands-on support to this particular process of unbundling and classification of municipal assets.

Yours faithfully
